Fresh and new in appearance and only about 5 years old, this 2 bedroom mid-floor apartment presents a solid investment opportunity or a first home to those who enjoy a modern lifestyle in a security building with security caged lock-up garage, and a quality appearance externally with pleasant well maintained common gardens. Fashionable elements include stepped cornices, a small ensuite behind concertina doors from the master bedroom, a good bath and shower in the main bathroom. Both bedrooms have built-ins, and the good-sized kitchen has black granite bench tops and is open plan to the combined lounge and dining room. There's also a small internal laundry. One of the highlights of the apartment is the very pleasant leafy suburban views towards the Blue Mountains from one of the two balconies.
