4 2 2

An oasis, with a great street presence, every thing has been done, so it's ready for you to move in and to start enjoying a relaxing lifestyle. Each living space flows effortlessly one into the other. The brick veneer and hardiplank house, on 784sqm approx and with 9ft high ceilings, feels current and modern, even though it was renovated about 20 years ago. Offering 4 bedrooms, 2 bathrooms and a pool, the single lock-up garage is drive-through to a substantial carport that doubles as a marvellous entertainment or play space. This then adjoins a fully fenced and safe level yard. Beside the garage is a huge, powered workshop area and a good deal of underhouse storage.
